butter are moderate, with a good demand

The Indianapolis Gas Co. mestic deliveries are large to the commission houses and large quantities are being shipped in, and as a natural result prices are generally easier and going down. Especially is this noticeable in Irish potatoes, SAWS AND MILL SUPPLIES. Southern cabbage, tomatoes, strawberries and cherries. A few huckleberries and E. C. ATKINS & CO. C Manufacturers and Reblackberries are offered, but sell slow, not being very desirable fruit, being shriveled pairers of all kinds of and partially ripe. There is still consider-Office and Factory-South and Illinois Streets, able demand for old potatoes, and the mar-INDIANAPOLIS, IND. ket is more steady on such stock than on SAWS BELTING and EMERY WHEELS new potatoes. California plums, apricots, etc., are arriving in larger quantities.

SPECIALTIES OF California fruit is good. Oranges and W. B. Barry Saw and Supply Co. lemons are steady and active sellers, oranges holding firmly to quotations, the 132 S. PENN. ST. All kinds of Saws repaired.
